New Media Campaign for ISDH Immunization Program

The Indiana State Department of Health Immunization Program is launching a new media campaign in March 2008. The goal is to increase immunizations for Indiana two-year-olds and stress the importance of childhood immunizations for disease prevention.

In television and radio advertisements, State Health Commissioner Judy Monroe, M.D., will encourage Hoosiers to support Governor Daniels' initiative to give all children a healthy start and remind them to utilize the Children and Hoosiers Immunization Registry Program (CHIRP) to record a child's vaccinations.

As a **TEAM**, Together Everyone Achieves More.

2008 Indiana Immunization Conference

The ISDH Immunization Program is in the early stages of planning for upcoming immunization conferences. Please send suggestions for program topics to Kristin Ryker at kryker@isdh.in.gov by Friday, March 7, 2008.

School Immunization Requirements for 2008 - 2009

The Immunization Program and the Department of Education met recently to finalize immunization requirements for the 2008-2009 school year. The new requirements will be posted on the CHIRP web site at chirp.in.gov during the first week of March. If you have questions about these requirements, please contact the Immunization Program at (800) 701-0704.
